Dear Harold, May 4, 1992

We got back safe and sound about 9:45 PM last night. It was an uneventful but beautiful trip through Virginia especially. I received the materials from the LBJ library in the mail this morning. Enclosed is a copy. I have not had time to really look it over carefully. Also enclosed is the Jagne affidavit you gave me. I made a copy for myself. I will be sending a copy of LBJ library material to Dave Wrone also.

We enjoyed our brief visit. Although it was a long way to go for just a couple days, we were glad we could make the trip as a family. Take care and of course give our regards to Lillian.

Best Wishes,
Gerry
